

**Belfast BASH Education Meeting – 23 May 2014**  
**Hilton Hotel, Lanyon Place, Belfast**

Dear Colleague

We are delighted to invite you to the BASH Educational Meeting on Headache on Friday, 23 May 2014, at the Hilton Hotel, Lanyon Place, Belfast. The meeting will start promptly at 9.15am.

We are very fortunate to have speakers from across the UK and Ireland who represent true experts in their fields, and have designed the programme to allow as much discussion as possible.

Most doctors and allied health professionals in primary care, general internal medicine, pain management and neurology will see large numbers of people with problem headaches.

We would be confident that this programme will leave you better informed and able to help people with headache disorders.

The meeting will attract 6 CPD points, and we will obtain formal RCP approval for these.

There is a nominal charge of £15.00 but this is a unique opportunity to improve your understanding and skills in headache management.

If you wish to attend, please send your registration form and course fee to me at Craigavon Area Hospital, or email your confirmation and bring payment on the day.

The Hilton Hotel is in central Belfast and is within walking distance from the Central Rail Station and Donegal Quay Bus Station. There is a multi-storey car park as part of the hotel complex.

We look forward to meeting you in May.

Yours faithfully

**Dr Raeburn B Forbes MD(Hons) FRCP**  
**Co-Chairs BASH Belfast 2014**

**Dr Louise Rusk MRCP MRCGP**
